

QUALITY, NUTRITIOUS FOOD

Angel Food provides a different menu each month offering fresh and frozen items. The food is purchased from the nation's top food suppliers; the same high quality food that could be purchased from a store. There are no second-hand items, no damaged or out-dated goods, no dented cans without labels, no day-old bread and no produce that is almost too ripe. A typical order consists of nutritious food such as **chicken, steak, vegetables, fruit, dairy products and dessert**. Choose from a variety of boxes including **seafood, an allergen-free food box, and senior or convenience meals** for people on the go.

BEST VALUE FOR THE DOLLAR

Angel Food is available in a quantity that can fit into a medium-sized box and costs **\$30 per box**. Based on comparison shopping done across the country, **the value of the food is estimated at \$65**. Generally, one box of food feeds a family of four for about one week or a single senior citizen for almost a month. There is **no limit on the number of boxes that can be purchased**.

SPECIALTY BOXES

Each month Angel Food Ministries also offers specialty boxes of **steak, chicken, pork, seafood and produce**. This bonus program offers participants additional food choices at a great value. One or more specialty boxes are available only with the purchase of any one of the standard boxes.

WHO QUALIFIES

There are no special qualifications, income restrictions or minimum orders. There are no applications to fill out. **Everyone is able to participate, regardless of income level**. Anyone can purchase an unlimited amount of food.

What is. . .

Angel Food Ministries?

Angel Food Ministries is a non-profit, non-denominational organization dedicated to providing food relief and contributing to benevolent outreaches in communities throughout the United States.

With a heart for helping others and a generous spirit, Joe and Linda Wingo founded Angel Food Ministries in 1994. Their intent was to provide food for friends and neighbors who were struggling financially. From their back porch, the first Angel Food distribution fed 34 families.

Today, Angel Food Ministries is continuing the work they started years ago. The Angel Food program has grown to serve thousands of families every month. Currently, people in 35 states have benefited from Angel Food. Through their efforts Angel Food Ministries helps provide food relief to 500,000 families each month.
