### Dear RCC Family and Friends,

*God is up to something good  
in your life!*

Despite all the stresses and worries this life can throw at us, the people of God can always count on the "peace of Christ" that passes all understanding. Jesus said, "... In this world you will have trouble. But take heart! I have overcome the world." What a benefit in living for the Lord!

Contrary to what some may think, pastors are not immune to the stresses and curve balls the enemy can throw at us. We all must fight the good fight of faith, and trust that God Himself has everything under control and is working all things together for our good.

Having said that, Janet and I have made one of the biggest decisions of our lives; trusting that God is indeed leading us by His Spirit. After serving for over 26 years at Raleigh Christian Community, we believe the Holy Spirit is leading us into some new and exciting ministry ventures which will require us to step away from leading our local church ministry.

This comes with mixed emotions as we have built so many incredible relationships over the years. However, we know that if God is leading, it will benefit all parties involved. God has spoken some incredible words over RCC and He WILL

## Financial Peace University

fulfill them in His time. We are not planning to move, nor are we planning to leave the church. We are simply taking faith steps toward what we believe to be God's plan and purpose in this next season of life and ministry.

Agree with us in prayer that God will place the right man for this new season at the helm of leadership for our church. Let me encourage you to continue your faithfulness in your **GIVING**, in your **SERVICE** and especially in your **PRAYERS** for our ministry here at RCC.

Between now and then, let's enjoy the blessings of the Lord together and trust that He is up to something good in our lives.

God bless you,

Pastor Jim and Janet

Raleigh Christian Community Presents
